#### C. NO Divisional Championship Meets

- a. Divisions will be decided at the Skyland Conference Championship Meet
  - i. Each division will be scored based on how the runners in that respective division finish, just like a Sectional Meet
  - ii. We will not be determining the division champion in a Batch Race format where teams develop records based on how they match up against each other head-to-head (last time we did this was 2018)

#### D. Division Alignment is the Same as Last Year:
